The Matco-Norca Promise

Matco-Norca has been providing quality products exclusively through the wholesale channel for almost 60 years. Our new faucet lineup features several complete and unique families that encompass multiple designs and price points.

All of our families offer matching accessories to complete the suite, while our pressure balanced rough-in valves (with and without stops) and roman tub rough-in valves are universal across every family. Furthermore, five of our families feature ceramic valve technology and we are proud to say that over 90% of our lavatory and showerhead product offering is EPA WaterSense certified. Last but not least, over 95% of our faucet program complies to the California Health and Safety Code 116875-116880.

We have also incorporated a "Build Your Own" tub and shower option that will allow you to create your own look based on what is important to you. In addition to this option, we will still offer all configurations that incorporate "Rough-In" components in finish packs and job packs. Matco-Norca includes ADA compliant options in every family to meet your complete needs.

Matco-Norca offers a limited lifetime finish and function warranty on every item that you will find in this product portfolio and we are not selective or discriminating between items on the warrantee of our faucets. They all carry the same limited lifetime finish and function warrantee. Whether you are looking for entry level offerings to "value engineer" a project, or luxury products for your showroom,

Kitchen

Brushed Nickel

Oil Rubbed Bronze

Matco-Norca has the warranty and breadth of products and finishes to ensure a lifetime of trouble-free satisfaction.

Why buy from Matco-Norca?

Matco-Norca began in 1952 as a pioneer in sourcing valves. Since then, Matco-Norca has grown to be one of the largest independent suppliers of Valves, Fittings & Nipples, Faucets & Plumbing Specialties in the United

States. And throughout the decades, Matco-Norca has become an established leader for products of superior quality offered at a competitive price. As well, we also have highly trained direct sales personnel partnered with outstanding rep agencies to ensure that your needs are met on time, every time. Simply stated, Matco-Norca's culture is deeply rooted in providing consistent service to our customers across all facets of our business.

Committed to Quality

Matco-Norca is committed to maintaining a high standard of quality for all the products we offer. Most products in this catalog are labeled with a designated approval or certification code. Below is a brief description of these approvals.

ADA **American Disabilities Act** — Protecting the rights of people with physical or mental disabilities.

ANSI **American National Standards Institute** — Organization that coordinates work among U.S. Standards writing groups; Works in conjunction with other groups such as ISO, ASME, ASTM, etc.

ASME **American Society of Mechanical Engineers** — Develops standards and testing criteria for finished products.

ASSE **American Society of Sanitary Engineering** — Develops standards and qualifies products for plumbing and sanitary installations.

ASTM **American Society for Testing Materials** — Develops standards for materials, products, systems and services.

AWWA **American Water Works Association** — Promotes public health through improvement of water quality. Develops standards for valves, fittings and equipment.

CSA **Canadian Standards Association** — Develops standards, tests and qualifies products used in gas lines and gas appliance installations.

EPA **Environmental Protection Agency WaterSense** — A partnership program sponsored by the U.S. Environmental Protection Agency (EPA) is making it easier to find and select water efficient products. WaterSense labeled products are generally 20% more efficient than conventional products labeled.

FM **Factory Mutual** — Develops standards and qualifies products for use by the general public.

IAPMO **International Association of Plumbing and Mechanical Officials** — The IAPMO publishes standards covering products used in the Recreational Vehicle and Manufactured Housing Industry called IAPMO Trailer Standards.

ISO **International Standards Association** — A worldwide process control organization. An internationally recognized certification for manufacturers that comply with high standards of quality control. Developed standards ISO-9000 through ISO-9004

MSS **Mechanics Standardization Society of the Valves & Fittings Industry, Inc.** — A committee of manufacturers that develops technical codes and standards for the valve & fitting industry.

NSF **NSF International** — An organization committed to public health that writes standards and certifies products for food, water and consumer products.

UL **Underwriter's Laboratory** — Tests and qualifies valve and fittings products under UL standards for safety.

UPC **Uniform Plumbing Code** — Developed by the International Association of Plumbing and Mechanical Officials to govern the installation and inspection of plumbing systems as a means of promoting the public's health, safety and welfare.

USC **University of Southern California** — Foundation for Cross-Connection Control and Hydraulic Research that lists approved backflow prevention assemblies.

Matco-Norca's Lead Free Initiative

Matco-Norca was out ahead of California's Health and Safety Code 116875-116880 that went into effect on January 1, 2010. We were fully stocked with lead free products in our Southern California Distribution Center and ready to ship prior to the legislation's implementation date.

The California legislation, along with similar legislation in other states and the federal government, mandates that lead free products contain less than .25% weighted average lead content on wetted surfaces in applications involving dispensing water for human consumption.

Our lead free product offerings include Valves, Fittings & Nipples, Faucets & Plumbing Specialty Items.

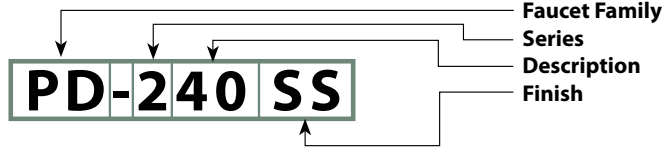

Each Matco-Norca faucet line includes products available in lead free versions. You will see this indicated on the following pages by the inclusion of our lead free leaf logo under the approvals column.

A low-angle photograph of a classical column against a blue sky. The column is fluted and has a decorative capital. A white text box with rounded corners is overlaid on the right side of the column, containing the word "CLASSIC" in a bold, sans-serif font. The background is a clear blue sky. There are decorative elements at the top of the page: a black rectangle on the left and a gold rectangle on the right.

CLASSIC

Classic

Kitchen

Offering a departure from standard offerings normally found in this category, our Classic Family offers the full range of base finishes and a full offering of pressure-balanced tub and showers, roman tubs, lavatories, kitchen pull-outs, bathroom accessories and job packs.

Build Your Own

Our "Build Your Own" program focuses on two families, Classic and Builder Light. This program allows our customers to tailor a design to meet a price point or configuration without having the limitations of taking what comes in the box. If you are looking for a unique application for Hospitality, or a way to value engineer a multi-family project, there is sure to be a combination that will meet your needs.

LIMITED LIFETIME WARRANTY

All parts of the **Matco-Norca** faucet are warranted to the original consumer purchaser to be free from defects in material and workmanship. This warranty is made to the original consumer purchaser and shall be effective from the date of purchase as shown on purchaser's receipt.

Matco-Norca will replace, free of charge, during the warranty period, any part which proves defective in material and / or workmanship under normal installation, use and service. **Matco-Norca's** obligation under this warranty shall be limited to the replacement of any parts which proves defective upon **Matco-Norca's** inspection of such product. Replacement parts can be obtained by returning the defective part to your local **Matco-Norca** dealer, transportation charges prepaid, with a copy of the purchase receipt or by calling 1-888-328-2383.

THIS WARRANTY IS THE ONLY EXPRESSED WARRANTY MADE BY **Matco-Norca** AND IS LIMITED TO THE DURATION OF THIS WARRANTY AND ALL OTHER EXPRESS OR IMPLIED WARRANTIES, WHETHER IMPLIED BY OPERATION OF LAW OR OTHERWISE, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS OR FITNESS FOR PARTICULAR PURPOSE, ARE EXCLUDED UNDER NO CIRCUMSTANCE, AND IN NO EVENT, WILL **Matco-Norca** BE LIABLE FOR PERSONAL INJURY OF PROPERTY DAMAGE OR ANY OTHER LOSS, DAMAGE, COST

OF REPAIRS OR INCIDENTAL PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, WHETHER BASED UPON WARRANTY, CONTRACT, STRICT LIABILITY, NEGLIGENCE OR ANY OTHER CAUSE OF ACTION ARISING IN CONNECTION WITH THE DESIGN, MANUFACTURE, TRANSPORTATION, INSTALLATION, USE OR REPAIR OF THE PRODUCTS SOLD BY **Matco-Norca**. BUYER HEREBY ACKNOWLEDGES AND AGREES THAT UNDER NO CIRCUMSTANCES, AND IN NO EVENT, SHALL **Matco-Norca's** LIABILITY, IF ANY, EXCEED THE REPLACEMENT OF THE DEFECTIVE PRODUCT(S); NO ADDITIONAL AMOUNTS SHALL BE MADE FOR THE LABOR OR DAMAGE RESULTING FROM THE SAME, EXCEPT AS EXPRESSLY SET FORTH IN THIS PARAGRAPH, ALL PRODUCTS AND/OR SERVICES PROVIDED BY **Matco-Norca** AND ITS EMPLOYEES AND AGENTS ARE PROVIDED "AS IS" "WHERE IS" AND "WITH ALL FAULTS".

Some states do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty is void for any damage to this faucet due to misuse, abuse, neglect, accident, improper installation, any use in violation of instructions furnished by us, or any use of replacement parts other than genuine **Matco-Norca** parts.

Global sourcing. National compliance. Local service.
